# MAKING A POSITIVE IMPACT ON YOUNG LIVES

## Scarlet

Since the age of three, dance has been more than just an activity for Scarlet — it's become an integral part of her identity. As her mother, a full-time working single mom, explains, "Dancing with feet is one thing, but dancing with the heart is another." Thanks to the generosity of Watermark for Kids, Scarlet is able to continue her passion and dance competitively. Scarlet's future looks bright, and her heart remains full as she continues to dance her way toward her dream.

## Eli

Two years ago, "Eli" (a pseudo name upon request) was faced with a difficult diagnosis: osteosarcoma, a rare bone disease. Since then, he's undergone an incredible ten procedures and eight surgeries. The Watermark at RiverVue learned about Eli when a local organization he volunteered with shared his challenge and dream of cycling.

Thanks to the generosity of Watermark for Kids, Eli's dream became a reality. With his new bike, he can now ride alongside his friends, feeling the wind in his hair and the thrill of independence once more.

## EMPOWERING CHILDREN OF SINGLE MOM SCHOLARS THROUGH PARTNERSHIP

In December 2022, Watermark for Kids proudly partnered with Interfaith Community Services to support the children of their Single Mom Scholars program. This collaboration was born out of a shared vision: to empower families by focusing not only on the success of single mothers but also the well-being and development of their children. Since the partnership began, Watermark for Kids has donated an impressive \$47,111 and directly impacted 97 children by providing essential resources and opportunities, from braces and violin lessons to football equipment and summer camps.

The range of support has been diverse, catering to each child's unique needs and dreams. Whether it's enabling participation in basketball, dance, and cheer programs, or sponsoring culinary classes and driving lessons, Watermark for Kids has played an integral role in enriching the lives of these children.

By joining forces with Interfaith Community Services, we are not only addressing immediate needs like dental work, school trips, and summer camps, but also investing in the long-term success of both mothers and their children. This partnership showcases how targeted support can uplift families, strengthen communities, and create lasting change.
