A New Take on Memory Care

At The Lodge at North Ogden, we challenge traditional assumptions about what seniors living with memory loss can and cannot do. That means supporting residents' independence alongside an empathy-based approach. We focus on validation rather than correction to cultivate a positive sense of well-being from moment to moment. Here, people thrive with the power of choice.

About the Adult Day Program

Customized to each individual, the Adult Day Program is specially tailored to people living with Alzheimer's disease, dementia, and memory loss. Both residents and area seniors are welcomed into a worry-free neighborhood filled with enriching programs and full-service amenities. It's a place crated to promote joyful moments and a deep sense of purpose.

Dynamic programming strengthens the mind, body, and spirit through opportunities to connect and learn – along with a delicious, chef-prepared lunch. While Adult Day Program members enjoy the highest quality of support, their loved ones enjoy the peace of mind that comes from knowing The Lodge at North Ogden has everything covered.
