Your Life, Your Way

In our **Independent Living** neighborhood, start your days off with a walk and coffee with friends, or simply enjoy the fresh air in the courtyard. After taking a fitness class, stop by the salon to freshen up your look. Then you're off to shop for an afternoon out. Trade in cooking, cleaning, and yard work for an enriching lifestyle centered on you. We sweat the small stuff so you can focus on what matters most. Will you spend your newfound freedom on cherished hobbies, entertaining family, or finding adventure with friends?

Moving to Legacy at Grande'Vie was the best move I ever made! My room is nice and the meals are wonderful. Activities are plentiful and I have many new friends. Try it, you'll love it!

Keeping Up With You Today, Tomorrow, and Always

Our **Assisted Living** and **Enhanced Assisted Living** neighborhood is centered on choice. You or a loved one can live as independently as you'd like with personalized, 24/7 support available whenever needed. From extra help with chores to driving while you run errands, we're ready to lend a helping hand.

Daily check-ins and wellness options are only the beginning. Our goal is to support you or a loved one's lifestyle with top-notch care that revolves around your schedule — never ours.

The associates go above and beyond at every request and truly care about the residents.

Rooted in Empathy and Expertise

Whether your loved one is experiencing mild cognitive impairment, Alzheimer's disease, or another form of dementia, we're here to help every step of the way. Our **Memory Care** neighborhood welcomes residents into an uplifting, secure, and understanding environment that inspires a sense of connection and well-being.

A Unique Approach

Our Prema Memory SupportSM program offers customized care and one-on-one support 24/7, putting each resident's unique life experiences, preferences, and needs first. With this positive approach, we focus on what people can do, never what they cannot.

Signature *Naya* caregivers are trained in accordance with guidelines set out by the Alzheimer's Association. These treasured associates incorporate residents into the rhythms of daily living and engage in each moment as the days unfold, focusing on whatever evokes feelings of joy and purpose.

My dad is very involved in the wonderful activities they offer and is socializing again! I am grateful that my father is in a safe, clean, and caring environment, and now calls Legacy at Grande'Vie his home.
