Unexpected Opportunities, Unlimited Choices

Imagine living in a place where people know your name. It's where peers understand you, new friends embrace you, and compassionate, trained associates support all your interests and needs.

Today's seniors want greater choices and a more active lifestyle than ever before. That's why we designed every day at Summit Senior Living with engaging events, new opportunities, delicious cuisine, and personalized wellness.

Trade in cooking, cleaning, and yard work for happy hours and musical performances. Will you start off the day with coffee in the garden, or get caught up in a B-Fit workout? Will you join in a game of Rummikub before joining in a painting class, or will you go on new adventures with fascinating friends? It's all part of our culture of choice.

*We're not what you'd expect,
and that's a promise.*

*This community is by far the best one
I have ever been to. The associates truly
care about their residents and provide the
best care. Everyone is treated like family.*

Dining and the Good Life

A good meal with good friends is one of life's greatest pleasures. Here, residents regularly connect around the table to catch up, swap stories, and share laughs.

Our ever-changing menu features everything from gourmet selections to comfort foods. Each meal is crafted with intention by our culinary team to be both healthy and delicious. And with Gourmet Bites Cuisine, you have the option to transform menu items into hand-held creations to enjoy without assistance, utensils, or distractions.

Meals with friends are more delicious.

*Thoroughly enjoyed lunch with my mom.
Service was great and food was delicious.
So fun seeing the residents engage with
each other to enjoy a good meal.*

How Will You Spend the Day?

There's always something happening with cultural programs, engaging events, and exciting outings. Stay as busy — or as free — as you choose and make friends along the way.

My grandma is doing so well ... She has been very happy with being able to work in the garden. She always has a story about it.

Keeping Up With You Today, Tomorrow, and Always

As life takes its twists and turns, we'll be beside you every step of the way. Daily check-ins and wellness options are only the beginning in our **Assisted Living** neighborhood. Our goal is to support your lifestyle with top-notch care that revolves around your schedule — never ours.

For outings and errands, let us do the driving with scheduled outings. We offer personal transportation to and from shops and appointments, as well as excursions to local attractions and cultural events.

We sweat the small stuff so you don't have to.

Mom is thriving. She is happy, actively engaged in all the scheduled activities, and she has made many friends. She says, "I love it here, the food is great, and everyone is so nice!"

Inspiring Confidence and Connections

When a loved one is experiencing moderate cognitive impairment, we're ready to welcome new residents into an uplifting, secure, and understanding environment that inspires a sense of connection and well-being.

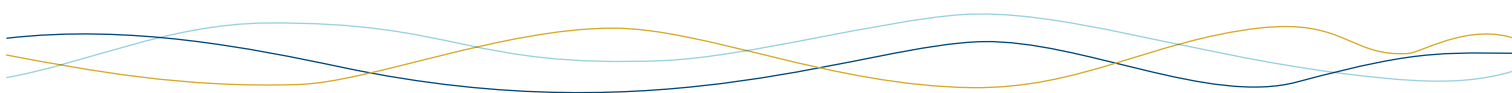

Dedicated caregivers are trained in accordance with guidelines set out by the Alzheimer's Association. These treasured associates incorporate residents into the rhythms of daily living and engage in each moment as the days unfold, focusing on whatever evokes feelings of joy and purpose.

Prema Memory SupportSM offers customized care 24/7, putting each resident's unique life experiences, preferences, and needs first. Our positive approach focuses on what people can do, never what they cannot.

We challenge traditional assumptions about what's possible.

I can always get a hold of someone to answer any of my questions, and they are quite organized. Thanks to all there, our family can now feel confident that my dad's needs are being met.

My mom lives in her one-bedroom apartment and dines in the dining room for all her meals. They have happy hour entertainment on Fridays and she loves it. My sister and I visit frequently and we love the associates. It's a great place and we feel blessed we got our mom a beautiful and comfortable place to call home.
